

Cosmo 30W (Black) Datasheet

4000K 2250Lm LED Track Spotlight

PXCOSB4

Three Circuit

RoHS

IP20

LED

30W

Power	30W
Power Factor	≥0.9
Lumens	2250Lm
Product Dimension	Ø156.5x122x196mm
Colour Temperature	4000K
CRI	≥82
Beam Angle	36°
Lifetime	40,000h
Protection Rating	IP20
Input Voltage	AC200-240V
Frequency	50-60 Hz
Nominal Flux	2547.93
LED Type	COB LED
Material	Aluminium
Warranty	3 Years

Features & Applications

The 30W Prelux Cosmo LED Spotlight is a superb fitting for retail environments, with a highly efficient COB design that provides 80lm/W and excellent colour rendering. The aluminium body provides efficient thermal dissipation and the shape is designed to encourage cooling airflow around the fixture, greatly increasing the life of the LEDs.

- COB LEDs with excellent colour rendering, ideal for galleries/museums
- Highly efficient COB LEDs provides 80lm/W
- Powder sprayed body retains its new appearance
- CCT: 4000K (Also available in 3000K)
- Rotates 360° horizontally, 180° vertically
- Long lifetime of 40,000 hours
