

600mm Barline 4000K Datasheet

14/16/18/20W 3,200Lm (Max) LED Linear Track Light

PXBAR6004K

Dimensions	600*28*60mm
Input Voltage	AC220~240V 50/60Hz
Wattage	Power Selectable 14W/16W/18W/20W
Power Factor	≥0.9
Beam Angle	120°
Housing Color	White (RAL 9016)
Luminous Flux	2,200Lm - 3,200Lm
Color Rendering Index	Ra80
Lifetime	50,000Hrs
Fixture Material	Aluminium, PMMA, PC, PVC
Colour Temperature	4000K
Protection Level	IP20
Luminaire Nett Weight	0.55kg
Operating Temperature	-25°C~+40°C
Luminous Efficacy	160Lm/W
Certification	CE, UKCA
Warranty	5 Years

Features & Applications

With a wide 120° beam angle and contemporary slimline design, the Prelux Barline is ideal for use in retail stores and commercial showrooms.

The Barline range is also exceptionally efficient, producing an impressive 160Lm/W.

It is also compatible with all major 3 circuit track brands including Unipro, Global, Ivela, Eutrac, Stucchi, Powergear and Staff.
