

Roma Slim 12W Datasheet

CCT 900-960Lm LED Downlight

PXRSLIM12WCCT

Dimensions	ø172*22mm, Cutout ø165mm
Weight	-
Material	Aluminium & PC
Colour/Finish	White
IK Rating	IK04
Voltage/Frequency	AC220-240V, 50/60Hz
Luminous Flux	900/960/935lm
Luminous Efficacy	80Lm/W
Color Rendering Index	80
CCT Colour Temp	3000K/4000K/6000K
SDCM Colour Consistency	<6
UGR Unified Glare Rating	-
LEDs	SMD
Light Control	On/Off
Beam Angle	120°
Adjustable	No
Chip	Boke
Maintained Luminous Flux	L80 (B10) 50,000h
Warranty	5 Years

Features & Applications

Roma Slim is an LED downlight with super slender design, adopting high lumen SMD LEDs and a PC diffuser for a uniform light.

The Aluminum profile provides excellent thermal dissipation to extend the life of the LEDs.

- Super slim design, only 22mm in depth
- Colour temperature selectable
- 50,000 hour lifetime.
- 120° beam angle.

Options Available	
Casambi Module	On Request
DALI Dimmable	On Request
Emergency Kit	PXEMPACK
