Features & Applications

The Eurospot LED Gimbal downlight comes with a 38° beam angle and an extra warm 1900K colour temperature which is specifically designed to optimise meat displays in grocery retail stores.

The fitting is also tiltable 45° which enables the light source to be directed to where it is needed.

- Designed for Meat Display
- 1900K Colour Temperature
- Tiltable 45°
- 38° Beam Angle
- 5 Year Warranty
