Features & Applications

Complete with LiFePO4 Lithium battery pack, this non-maintained surface emergency fitting provides 2W 220Lm for 3-4hrs in emergency mode. It also comes with a 5 year fitting warranty and a 4 year battery warranty.

It also comes with 2x Interchangeable Lenses: 96° (Open Areas) and 135 x 17° (Escape Routes)

The IP65 protection rating also makes it suitable for a broader range of application areas.
